

Request for School Transfer – Public School Choice
William Bick Primary and Hill Intermediate

I have read the notice of Adequate Yearly Progress and understand that I may request to transfer my child or children to another school. It is my right to request this transfer to a school that has not been identified for school improvement. I will also be responsible for transporting my child to school if and when Bethel-Tate ceases to provide transportation.

I have chosen to transfer my child to another school which I will select from those offered by the district as being eligible to accept transfer students. Please understand these schools are under no obligation to accept out of district students.
