Dear Bethel-Tate Local Schools Families,

We are very excited to announce that Bethel-Tate Local Schools has partnered with FinalForms, an online forms and data management service that will be replacing paper forms. FinalForms allows you to complete and sign enrollment, back-to-school and athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

IMPORTANT: By end of business day Wednesday July 19th, you will receive an account confirmation email from FinalForms. Please click the link in the email and follow the steps to login and access your student(s).

You may locate FinalForms on our website (www.betheltate.org) under forms and links.

Also using a web browser on your computer, tablet or smart device one may access FinalForms by simply going to <https://betheltate-oh.finalforms.com>. For additional help you may go to our web site under Forms to obtain guides for how to confirm your account and initiate registration.

If you have not received an email from FinalForms with your account information by end of business day on July 19th, you may create your own FinalForms account. Please go to Forms on our website and use the second guide to create you own account and initiate registration.

We are asking that all parents of students use FinalForms. Thank you for your assistance in streamlining our forms processes and helping ensure we have the most current information concerning our students.

Sincerely,

Melissa Kircher
Superintendent
