Important Information

- BTMS Free Store is available for our students in need of any clothing and/or supplies!
 - Students/families just contact your teacher, the office, or Mrs. Carnahan (shari.carnahan@betheltate.org) and we will get you what you need!
- Please see the following message from the Bethel Branch Library:
 - The Bethel Branch Library is offering students "3 For Me" library cards. This allows students to check out three library books without the worry of fines or fees. If a student forgets to return a book, they won't be charged and there would be no late fees. Students can check out books from any of the Clermont County Library locations and also use their card for the online resources.

- There is no charge for a 3 For Me library card. Once the library receives a completed application, a card will be created and the parent contacted when it is ready to pick up.
 - The application is at the following link: <https://clermontlibrary.org/3-for-me-library-card-application/>
